## With whom we share your personal information

We do not share your personal information with any third parties.

## How we protect your information

We have implemented the following measures to protect and safeguard your personal information:

- Limiting the amount of personal information that we collect to strictly necessary only;
- Using ssl or other secure connection technologies when receiving or sending personal information beyond internal networks;
- Destroying the personal information that we no longer need;
- Having comprehensive security policies and procedures.

## Sale of your information

We do not sell your personal information.

## Cookies

A cookie is a small piece of data sent from a website and stored on your device by your browser. Cookies are generally used to allow websites to respond to you as an individual, to remember your preferences, to test content, and to analyze your interactions with Websites or with advertisements. This Website does not collect cookies.

# Children's privacy

This Website is intended for use by a general audience and does not offer services to children. Should a child whom we know to be under 18 send personal information to us, we will use that information only to respond to that child to inform him or her that they cannot use this Website.

## Analytics programs

This Website uses Google Analytics to collect information about you and your behaviors. If you would like to opt out of Google Analytics, please visit <https://tools.google.com/dlpage/gaoptout/>.

## Information retention

We retain all of the information that we collect We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than the period of time in which users have an account with us. When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.
